BETSY MAYES, ASSISTED LIVING

When Betsy Mayes made the decision to move to The Oaks at Flower Mound with Bobby, her husband of 63 years, he had been struggling with his health for quite some time. She prioritized finding a community where Bobby's needs could be taken care of in Memory Care while she could live in Assisted Living — she found their ideal solution at The Oaks. **“We're in the same building, so I can easily walk over to see him any time, and he is doing very well there.”**

Betsy felt warmly welcomed into the community in just a few short months and has enjoyed playing bingo regularly and meeting new people. **“The best part for me has been visiting with the ladies at lunch or really any meal. I'm just very pleased and happy to live here.”**

She feels confident that in moving to The Oaks, she made the right choice at the right time for herself and for Bobby. **“He's well taken care of and even now, we still love each other very much!”**

We'd love to share more about our community —
